

*Caring For Those You Care About*

**Prairie Acres Rehabilitation and Nursing**  
FRIONA, TEXAS

# Caring for Those You Care About

*A caring community including a Rehabilitation Center and Nursing Home that provides quality care and promotes a productive and active lifestyle.*

*Prairie Acres provides a full range of long term care services to the people of this region and serves individuals without regard to payment source, national origin, race, creed, sex, age, or religious affiliation.*

## *Nursing Care*

Our goal is to provide a caring, homelike environment where residents, families, and employees are loved. We view this facility as the residents' home and we make every effort to provide as many choices as possible in activities, schedules, and dining options to make it comfortable for them. We welcome family and friends with a number of social areas to visit and we offer events that families and friends may participate in.
